

WHAT IS A CSA?

CSA stands for Community Supported Agriculture, and it means that you become a shareholder in what we are doing here on the farm. By purchasing a CSA, you are buying into a share of the crops that we grow.

Purchasing a CSA share is a great way to get the highest quality, locally grown produce at an affordable price.

It is also a wonderful way to support a successful, small family farm that adheres to practices that have the health of our land and our customers in mind. The respectful approach to farming that we take means that our land and environment will be safe for many generations to come.

CSA DELIVERY LOCATIONS

We are proud to offer convenient pick up locations at various places around the Chicagoland area. Please contact us to find out what location best serves your needs and sign up for our 2011 CSA program.

Nichols Farm & Orchard

OUR FAMILY AT OUR MARENGO, IL FARM

TASTE THE NICHOLS ADVANTAGE!

Nichols Farm has been committed to growing a wide range of fruits and vegetables for over 30 years. We only sell what we grow, utilizing sustainable growing practices. This means that you can count on us to provide you with consistent quality and a wide selection of produce. This is what our customers have been able to count on us for, year after year.

After 30 years of providing our sustainable produce through farmers markets, our family is making it more convenient for you to bring the fruits (and vegetables) of our labor home to you.
